

URC Legacies of Slavery (LoS) Consultation

Some Questions for Consideration

The Legacies of Slavery Task Group invites you/your church to watch the [consultation video](#), read the Consultation document containing a draft Apology and Confession, and consider the following questions:

1. What is your response to the URC's work and engagement with the Legacies of (transatlantic) Slavery as outlined in the video presentation and consultation overview paper?
2. How do you feel about the proposal for the URC to offer an apology for transatlantic slavery and its continuing legacies? And what is your response to the draft Apology and Confession proposed by the Task Group?
3. How do you feel about the proposal for the URC to offer some form of reparations (repairing justice) in relation to the legacies of transatlantic slavery?
4. What specific ideas for repairing justice would you like to see implemented in your local community (and/or beyond)?

Please feel free to offer any other comments or reflections as you feel led.

Responses should be sent to: global.intercultural@urc.org.uk

We are kindly requesting your feedback by **Monday 7th February 2022**. This deadline is to give the Task Group time to incorporate your contributions into proposals to General Assembly. Thank You in advance.
